Who We Are

We are **GREEN CARD VOICES**. A young, Minnesota-based 501 (c)3 non-profit aimed at changing the way the world perceives immigrants. Through the power of **STORYTELLING**, we connect the voices of immigrants unheard to the public.

What We Do

Sharing stories is the essence of Green Card Voices. While our stories are always available at our digital library, the most effective way to engage students and the community is through our traveling exhibit, which can be used in tandem with our curriculum.

Exhibit Description

Green Card Voices offers three different traveling exhibits: self-standing, wall-hanging, and laminated. Each exhibit includes portraits, 200 word biographies and quotes from each immigrant. A QR code is displayed next to each portrait and can be scanned with a mobile device to watch the digital stories.
