Who We Are

We are **GREEN CARD VOICES**. A Minnesota-based 501 (c)3 non-profit aimed at changing the way the world perceives immigrants. Through the power of **STORYTELLING**, we connect the voices of immigrants unheard to the public.

What We Do

Sharing stories is the essence of Green Card Voices. While our stories are available at our digital library and books, the most effective way to engage students and the community is through our traveling exhibits, which can be used in tandem with our curriculum.
